Follow this advice.

Quaker Oats is the best of all foods; it is also the cheapest. When such men as Prof. Fisher of Yale University and Sir James Crichton Browne, LL.D.-F.R.S. of London spend the best parts of their lives in studying the great question of the nourishing and strengthening qualities of different foods, it is certain that their advice is absolutely safe to follow.

Professor Fisher found in his experiments for testing the strength and endurance of athletes that the meat eaters were exhausted long before the men who were fed on such food as Quaker Oats. The powers of endurance of the non-meat eaters were about eight times those of the meat eaters.

Sir James Crichton Browne says—eat more oatmeal, eat plenty of it and eat it frequently.

Packed in regular size packages, and hermetically sealed tins for hot climates.

THERE'S NO RISK.

If this Medicine Does Not Benefit You Pay Nothing.

A physician who made a specialty of stomach troubles, particularly dyspepsia, after years of study perfected the formula from which Rexall Dyspepsia Tablets are made.

Our experience with Rexall Dyspepsia Tablets leads us to believe them to be the greatest remedy known for the relief of acute indigestion and chronic dyspepsia. Their ingredients are soothing and healing to the inflamed membranes of the stomach. They are rich in pepsin, one of the greatest digestive aids known to medicine. The relief they afford is almost immediate. Their use with persistency and regularity for a short time brings about a cessation of the pains caused by stomach disorders.

Rexall Dyspepsia Tablets will insure healthy appetite, aid digestion and promote nutrition. As evidence of our sincere faith in Rexall Dyspepsia Tablets, we ask you to try them at our risk. If they do not give you entire satisfaction, we will return you the money you paid us for them, without question or formality. They come in three sizes, prices, 25c, 50c, and \$1.00. Remember you can obtain them only at—The Rexall Store. Hooper Drug Company.

Wells Thompson was called to Lawrence on Monday to be at the bedside of a relative who is very ill.

Sybil Krebaum

Miss Sybil Krebaum, daughter of Mr. and Mrs. F. G. Krebaum passed to the Great Beyond Tuesday, morning after a two week's illness of typhoid pneumonia, at the age of 17 years.

She was a bright and energetic young lady and was an active worker in the M. E. Sunday School and Church and the news of her death was a shock to her classmates and friends.

Funeral services were held Thursday morning at ten o'clock at the M. E. Church. Our sympathy goes out to the family in this hour of sadness.

Mrs. C. O. Robinson Dead

Josephine Dorothy, daughter of Ambrose and Anna Baier, was born November 29, 1879, in Barton County, Kansas, and departed this life at her home south of town, February 12, 1911, age 31 years, 2 months, 13 days. She was united in marriage to C. O. Robinson, November 3, 1904, to which union was born two sons, Owen and Otis, who with the husband, an aged mother, four sisters, two brothers and other relatives, besides a host of friends are left to mourn her departure.

She was a model and exemplary type of wife and motherhood. Although having been in poor health the past few years, she never complained but was always of a sunny disposition and met the world's crosses with a smile, showing by her every act she was in close touch with her Blessed Master. As she was made to realize her stay here was of short duration, she made expressions to the effect that all was well with her even though she hated to leave her family, she was ready to meet her God in peace; so as the sun slowly set in the western horizon on last Sunday evening, just so slowly did her soul wing its flight to the golden shore, where sickness and death are not known, but where all is joy and peace, where she can bask in the smiles of a saviour, and dwell forever in the light of His presence. Although she will be sadly missed from our midst, we are made to feel that our loss is her Eternal gain, so we bow our heads to the divine will of God and say, "Thy Will be done."

"Not now, but in the coming years, It may be in a better land, We'll know the meaning of our tears, Ah, then, sometime we'll understand."

Funeral services were held in the local Baptist church, Tuesday, at eleven o'clock, conducted by Rev. G. B. Haggard. Interment followed in the city cemetery. Beautiful floral offerings were in evidence.—A Friend, in the Belpre Bulletin.

Postponed.

The Public sale at the Kern farm 6 miles west and 2 miles south of Great Bend, has been postponed to February 28, commencing at 10 o'clock. A general line of farm machinery and live stock.

F. J. KERN, Owner.

The Lord placed the snow on the walks and we have noticed that, in most instances, the Lord takes it away. We infer from the above gem from the pen of Dod Gaston, that Dod has attempted to take a walk through the residence district of Great Bend since the recent snowfall.

Examine the famous "Wear-Ever" aluminum cooking utensils, sold only by Bondurant at very moderate prices.

Already Provided—The minister was shaking hands with a new member of his congregation a girl fresh from Sweden, and said, cordially, "I would like to know your address so I can call on you." "Oh," said the girl, innocently, "I haf a man."—Success.

STATE SCHOOL FUND.

Great Bend Will Get 80 Cents For Each School Child

The city of Great Bend will get 80 cents this year from the state for every boy and girl in town between the ages of 5 and 21 years.

That is the per capita distribution of the interest of the state school fund, this year. This distribution is made twice a year. The first half announced today is 40 cents. Next August the per capita, it is expected will be the same.

Barton county has 5,221 inhabitants of school population, including those in Great Bend, and will get \$4,176.80 from the state as its share of the first half distribution.

Each county will receive its proportion of this fund based upon the school population. The total school population of the state, as shown by the distribution, is 516,058.

Two distributions are made annually, usually in February and August. The per capita distribution usually runs around 48 cents.

The distribution is made from the interest accumulating upon the school funds invested in bonds.

Try Bondurant's Good Hardware Store for honest goods at honest prices.
